## Oriental's Old Theater Center Stage For Performing Arts in Pamlico County

### **2020 Membership Application** Please consider business and advertising opportunities to complement our individual memberships

Oriental's Old Theater first opened its doors as a movie theater in 1946, and served as a social entertainment center until the late 50s. It was revitalized and reopened in 1995, providing a venue for performing arts to thrive in Pamlico County. Today the Old Theater is home to Pamlico Musical Society, Children's Theater Workshop and the Pamlico Chorale, with ongoing support from Pamlico County Arts Council. It also frequently hosts students from Pamlico County Schools for special events.

The Old Theater is owned and managed by the Old Theater Corporation, a registered 501(c)3 non-profit organization. All memberships and donations are tax deductible. Its Board is comprised of Pamlico County volunteers whose mission is to ensure that Pamlico County and the town of Oriental have a venue for civic and cultural events. The ability to achieve this mission depends on the ongoing support and participation of individuals, businesses, service organizations, grants and volunteers on stage and behind the scenes. The Old Theater is also available to rent for your business, group or private gathering.

Thanks to the generosity of people like **YOU**, significant improvements have been accomplished over the past few years. A successful 2020 membership drive will enable us to continue needed upgrades and provide the variety of entertainment our community has come to enjoy.

Volunteers are the life blood of our organization. Please consider volunteering your time and talents so the Old Theater may continue being the "center stage" in Pamlico County.

The Old Theater thanks our current members for their continued support and hope we can count on it for 2020. We welcome new members throughout the year, and thank you for your support. We look forward to seeing everyone during the coming year.
