

The Old Theater continues to play an important role in our community

2022 Membership Application
There are business and advertising opportunities to complement our individual memberships

Oriental's Old Theater first opened its doors as a movie theater in 1946, and served as a social entertainment center until the late 1950s. It was revitalized and reopened in 1995, providing a venue where performing arts can thrive in Pamlico County.

The Old Theater is owned and managed by the Old Theater Corporation, a registered 501(c)(3) non-profit organization. All memberships and donations are tax deductible. Its Board is comprised of Pamlico County volunteers whose mission is to ensure that Pamlico County and the town of Oriental has a venue for civic and cultural events. The ability to achieve this mission depends on the ongoing support and participation of individuals, businesses, service organizations, grants and volunteers on stage and behind the scenes.

Thanks to the generosity of people like **YOU**, significant improvements have been accomplished over the past few years. A successful 2021 membership drive will enable us to continue needed improvements and the variety of entertainment our community has come to enjoy.

We need and welcome your financial support as we move into 2021. We thank our current members for your ongoing support during this challenging time and welcome new members and thank you for your support! We cannot do it without you! We look forward to reopening the Old Theater when it is safe for all, and show off the improvements we have made over the past months. We look forward to a successful new year and will continue to find innovative ways to bring performing arts to the people of Pamlico County and Oriental!

Volunteers are the life blood of our organization. Please consider volunteering your time and talents so the Old Theater may continue being the "center stage" in Pamlico County.

The Show Must Go On!
